SOCIAL PRAGMATIC LANGUAGE GROUP SCHEDULE Summer 2021

Our social language pragmatic language groups, facilitated by a Certified and Licensed Speech and Language Pathologist and Licensed Clinical Social Worker or School Psychologist, helps children and teens who need help making friends and understanding social relationships.

The groups are modeled on the social thinking curriculum of Michelle Garcia Winner, whose nationally recognized methodology of social cognitive thinking has helped many children improve their peer communication and interaction skills.

Additional days and times will be added as needed.

Contact us for more info about this program.
